Our Core Memories & Beliefs Are Important – They Create Our Sense of Self

Through All Ups & Downs - Many Core Memories We Can Draw Upon.

THE STRAITS TIMES

Monday Sep 05, 2022

Most secondary schools have a home-based learning day once a fortnight, and students are also allowed to pursue their interests.

LESS TIME AT SCHOOL, MORE TIME FOR LEARNING

Students have a great opportunity to learn at home, but it is not without challenges. The Ministry of Education (MOE) has introduced home-based learning days to give students more time to pursue their interests and learn at their own pace.

How students and teachers help keep distraction at bay

Yuhua Secondary student Chia Yu Yeh, 16, used to get distracted during a home-based learning day at home, with no one there to supervise. "Usually, if the only one at home is my mother, I will be distracted by YouTube or TikTok videos," she said.

teacher Muhammad Fairuz Mohamed suggests ways to help students stay focused, such as by arranging Zoom consultations, or using technology tools such as the Student Learning Space platform to track when students are logged on.

In 2025 and Beyond – Many More Core Memories We Will Collect.

TEAM YUHUA 2025:

BE THE CHANGE!

... FROM INSIDE OUT AS WE CARE, CONNECT & CONTRIBUTE!

BE THE CHANGE, FROM INSIDE OUT!

1. Looking Inward – We Work From Our Core

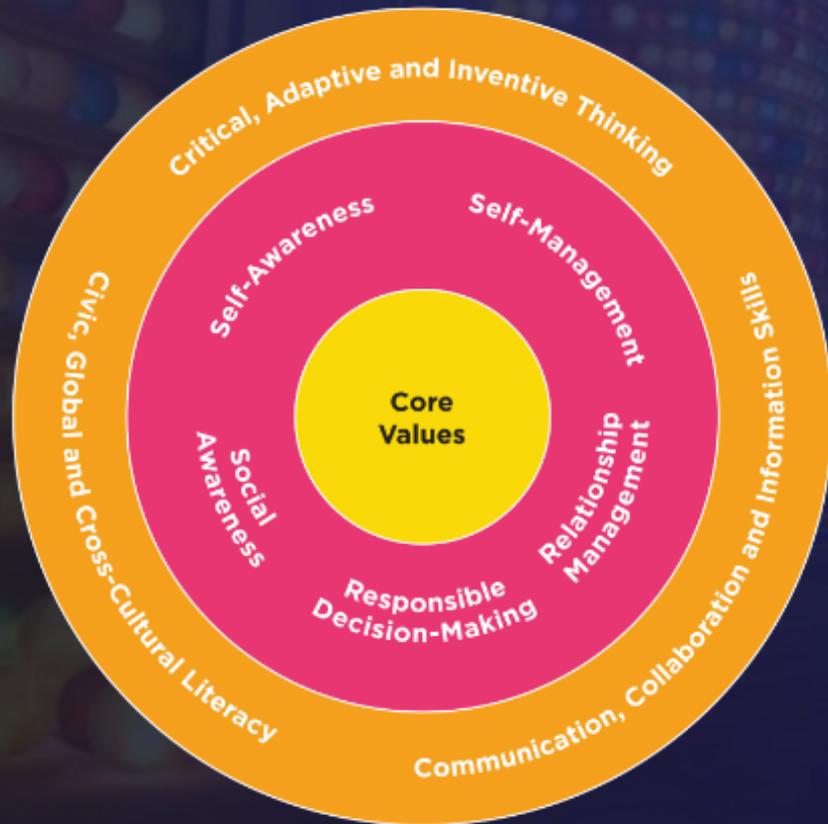

2. Looking Outward – Yuhua Changemakers who Care, Connect, Contribute

3. Looking Ahead As One – Be The Change!

BE THE CHANGE, FROM INSIDE OUT.

1. To build 21CCs, Look Inward To Our Inner Core of SECs

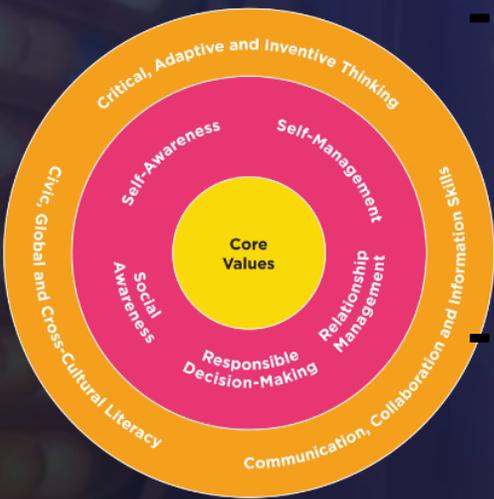

- Think of:
 - Some of the most successful leaders in various fields OR
 - Some of the most successful students in Yuhua Secondary
- What made the difference?

BE THE CHANGE, FROM INSIDE OUT.

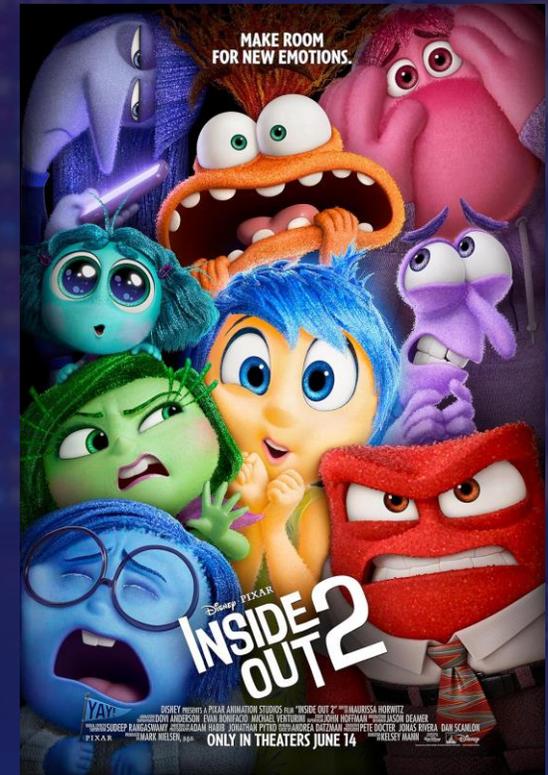

1. To build 21CCs, Look Inward To Our Inner Core of SECs

- The essential core lies in our values & socio-emotional competencies.

Priority of daily routines & SECs:

- **Self Awareness + Management, Social Awareness + Relationship Management, Responsible Decision Making**

BE THE CHANGE, FROM INSIDE OUT.

2. Design Thinking – Yuhua Changemakers Looking Outwards to Care, Connect, Contribute

- Why is Design Thinking So Important?
- How Does It Contribute To Equipping Yuhuans For the Future Workforce?

The screenshot shows a webpage from GOVINSIDER. The header includes the GOVINSIDER logo and a 'Login / Sign Up' button. Below the header, there are two category tags: 'FUTURE OF WORK' and 'EDUCATION'. The main article title is 'It starts in schools': Design thinking skills needed for the future workforce - Singapore's education ministry'. The author is listed as 'By Si Ying Thian' and the date is 'Nov 16, 2023'. The article text states: 'Public school educators increasingly see design thinking as a future-forward skill to be taught at an early age, but it will take a concerted effort among teachers, students and policymakers to incorporate it into curriculum, said speakers at this year's Design Education Summit.' At the bottom of the article, there is a photograph of a large audience seated in a conference hall, facing a stage where a presentation is being given. A large screen on the stage displays the 'DESIGN EDUCATION SUMMIT' logo and other information.

BE THE CHANGE, FROM INSIDE OUT.

2. Looking Outwards: Yuhua Changemakers

- **Our Vision & Hope:**
- **Yuhua Changemakers – graduates who embody Care, Connect, Contribute.**
- **Design Thinking & Empathy at the Heart of Community Where Learners Flourish.**

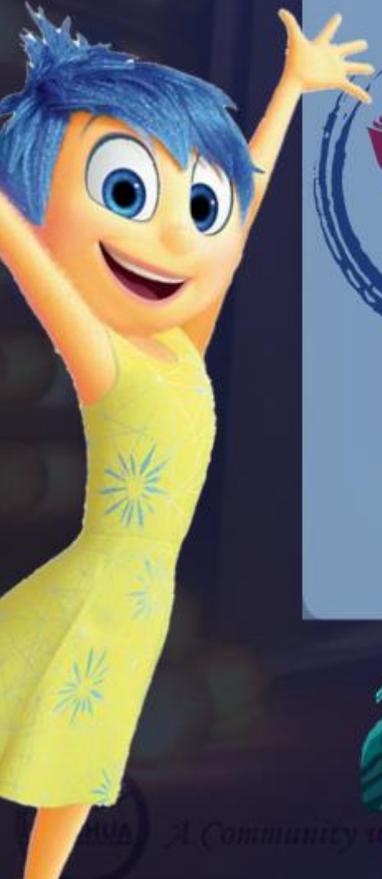

BE THE CHANGE, FROM INSIDE OUT.

3. Change Begins With Us: Be The Change!

Each of us make a big difference.
Ask not how others can do better, but
what it means for each of us to
care, connect, contribute.
